After the tour, participants will continue **walking approximately 2 km** on a flat route to Skalní mlýn, where the buses will be waiting.

Participants in the first group will have an extra waiting time, during which they may spend some time at Skalní mlýn, where refreshments, a restaurant and a souvenir shop are available.

The tour of the Punkva Caves lasts about 55 minutes, and English commentary will be provided via audioguides.

The tour of Petrov lasts about 50 minutes. The guide will use a microphone.

How to get back to the hotel in the evening

Participants may leave the Skanzeen restaurant individually at any time. We recommend tram lines 5 or 6 (approx. 15 mins) or a walk (approx. 25 mins). For a ticket, just use your wireless bank card directly in the tram. The ticket price is 25 CZK or 1 EUR.

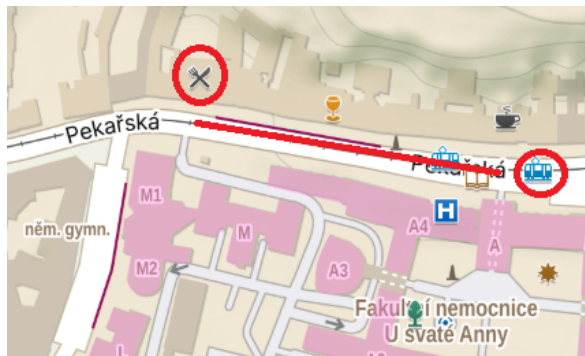

Tram lines 5&6

The tram comes from the stop **Nemocnice u sv. Anny**, which is about 150m from the restaurant, runs every 5–10 minutes until 22:35, then every 15 minutes until **the last tram at 23:15**. The tram line will take you directly to the stop **Česká**, about a 7-minute walk (500 m) from the hotel. The ride lasts 4 minutes and passes 2 stops. For detailed directions, please see a map on the other page.

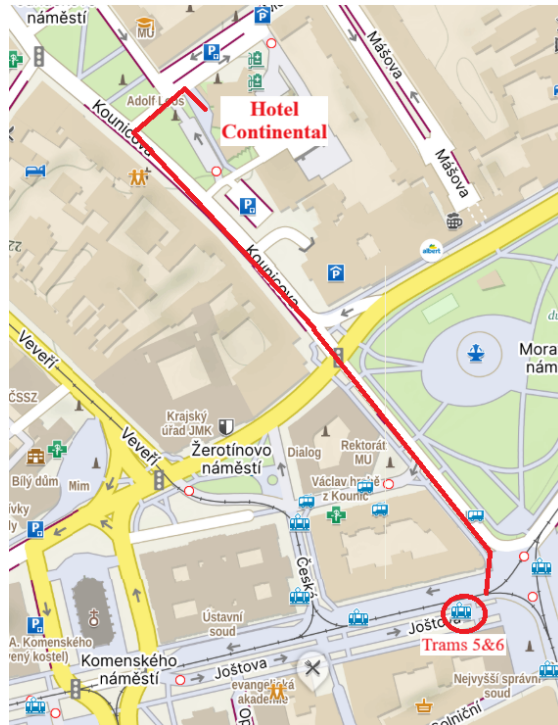

By foot

From Skanzeen Restaurant, walk uphill along **Pekařská** Street. At the large intersection at Šilingrovo Square, turn left onto **Husova** Street and continue straight until you reach the Red Church (**Česká** Street). Turn right and once you reach **Moravian Square Park**, turn left. Continue straight for approximately 300 metres to reach Hotel Continental. The walk is about 1.7 km long. Please see the map attached.
